Piano Parents

Dear Parents and Students,

We would like to thank all of the parents for sharing your children with us. Learning to play the piano has so many benefits that go way beyond the black lines and dots in the music. Some pieces in tonight's recital were written over 200 years ago; others were written this year. It is amazing how music stands the test of time!

We are so very proud of our young performers! It takes a lot of courage to play in front of an audience, especially on a stage this size!

Remember, we have one more week of lessons – next week. All classes will meet on their regularly scheduled day at 5:15 unless other arrangements have been made with your child's teacher. Please check the summer camp schedule in the lobby for piano camps for your child.

See you all in the fall!

Musically Yours,  
Mrs. Susan and Mrs. Lee 🎵

and on which it is impossible to be silent."*
